

## Photinia

### **Photinia fraseri 'Purple Peter'**

A variety with larger, redder leaves than 'Red Robin'. It has at least one month longer harvest period.  
from Kolster BV - non propagation agreement

### **Photinia serrulata 'Curly Fantasy®' (Kolcurl )**

A very special photinia with curly leaves, and a red coloured top.  
Good branching. Avoid heavy clay soils.  
from Kolster BV - non propagation agreement
